Section 3 Submission Declaration

Have materials contained in your thesis/submission been used for any other submission for an academic award?	Yes	No
	<input type="checkbox"/>	<input checked="" type="checkbox"/>

If you have answered Yes to above please state award and awarding body and list the material:

To the best of my knowledge, there are no health reasons that will prevent me from undertaking and completing this assessment and I will ensure to notify my Director of Studies and the Doctoral College if there is any change to these circumstances	Agree	Disagree
	<input checked="" type="checkbox"/>	<input type="checkbox"/>

Ethical Declaration: I declare that my research has full University Ethical approval and evidence of this has been included within my thesis/submission. Please also insert ethics reference number below	Yes	No
Project Reference: P69342	<input checked="" type="checkbox"/>	<input type="checkbox"/>

Freedom of Information:

Freedom of Information Act 2000 (FOIA) ensures access to any information held by Coventry University, including theses, unless an exception or exceptional circumstances apply.

In the interest of scholarship, theses of the University are normally made freely available online in CURVE, the Institutions Repository, immediately on deposit. You may wish to restrict access to your thesis for a period of upto five years. Reasons for restricting access to the electronic thesis should be derived from exemptions under FOIA.
(Please also refer to the [University Regulations](#) Section 8.12.5)

Do you wish to restrict access to thesis/submission:

If Yes please specify the length and reason for restriction:

Does any organisation, other than Coventry University, have an interest in the Intellectual Property Rights to your work?

If Yes please specify Organisation: **Elsevier**

Please specify the nature of their interest:
The thesis includes sections from an article on "Degrowth" I have lead-authored and contributed to the *Encyclopedia of the World's Biomes*. The publisher, Elsevier, holds the rights, which it has waived for the reuse in the electronic publication of my thesis.
